- 1.2 Client's Tech Company Name
Client's Authority
Client's Tech Company Address

2. SCOPE OF WORK

2.1 The Company agrees to provide software development services as described in the attached project proposal or statement of work ("SOW"). The SOW will include details of the project, including but not limited to:

- Technical specifications and requirements.
- Project timeline and milestones, incorporating agile methodologies.
- Payment terms and schedule, considering milestone-based payments.
- Intellectual property rights, including licensing terms.
- Acceptance criteria, including testing and quality assurance procedures.
- Support and maintenance terms, including version control and updates.

3. PAYMENT

3.1 The Client agrees to pay ABC the fees as outlined in the SOW. Payment terms and schedule are as detailed in the SOW. Invoices will be submitted by ABC to the Client according to the agreed schedule, with options for electronic payments or wire transfers.

4. INTELLECTUAL PROPERTY

4.1 All intellectual property rights, including but not limited to copyrights, patents, and software source code, arising from the work conducted under this Agreement shall belong to the Client upon full and final payment. The Company retains the right to reference the project in its portfolio and marketing materials.

5. CONFIDENTIALITY

Software Project Client Agreement

5.1 Both parties agree to maintain the confidentiality of any proprietary or confidential information received during the project. This includes, but is not limited to, client data, source code, algorithms, and project-specific technologies.

6. TERMINATION

6.1 Either party may terminate this Agreement in writing if the other party breaches any material term or condition of this Agreement. In case of termination, the Client shall pay for all work performed up to the date of termination, including any agreed-upon exit procedures.

7. WARRANTY AND SUPPORT

7.1 ABC shall provide an [X]-day warranty period from the date of project completion, offering technical support and bug fixes at no additional charge. After the warranty period, ongoing support and maintenance may be provided as per the terms outlined in the SOW, including software updates, security patches, and system monitoring.

8. GOVERNING LAW

8.1 This Agreement shall be governed by and construed in accordance with the laws of Europe/Denmark authority, regarding technology and software-related legal provisions. Any disputes arising out of or in connection with this Agreement shall be subject to the exclusive authority of the courts.

9. ENTIRE AGREEMENT

9.1 This Agreement, along with any attached SOW, constitutes the entire agreement between the parties and supersedes all prior or contemporaneous understandings, agreements, representations, and warranties, with a focus on technology-related aspects.

10. AMENDMENTS

10.1 Any changes or amendments to this Agreement must be in writing and signed by both parties, taking into consideration the evolving nature of technology projects.
